

Big Improvers 08-09 Mt SAC Invite

Who made the big jumps in a year!

[Doug Speck](#) - Editor ESPN/Rise - [DyeStatCal.com](#)

In a meet as big as Mt. SAC it is interesting when possible to take a look at the "big improvers" from year to year on the challenging course. Thanks to the stats provided by Kevin Jordan of [clerk of the course.com](#) it is possible to do some great comparisons with the statistics. For Girls we took those who ran 20:45 in 2009 and ran at least 45 seconds faster than 2008 and Boys 16:45 with the same 45 seconds (15 seconds per mile roughly) improvement since last October. There are always some issues with comparisons--ran in the heat in 2009 and cooler time of day in 2008, those who ran 2 miles in the torrid 2008 afternoon could not be a part of such a comparison, stubbed toes, the flu, missed buses, etc. etc. etc. but we think it is still worthwhile rewarding those who achieved the above improvement on some listing if possible.

MOST IMPROVED FEMALE ATHLETES WHO RECORDED A TIME OF 20:45 OR BETTER IN 2009 AND IMPROVED AT LEAST 45 SECONDS SINCE THEIR 2008 RUN AT MT. SAC

Lname	Fname	Gr	School	2009	2008	Improv
