

Arcadia Invitational - 4/9/2010 to 4/10/2010
Arcadia High School
School Entries - All Events - Men

Dear Coaches,

On behalf of the Arcadia Unified School District, Arcadia High School and the Arcadia Invitational Committee, we'd like to extend our deepest thanks for your interest in participating in the 2010 Arcadia Invitational track and field meet. The interest in this year's showcase event has hit eye-popping levels, with a record 616 schools from a record 27 states plus Canada declaring for the 43rd edition of the California-based meet that has featured 25 national records and 125 eventual United States Olympic Team members.

Due to the enormous interest in the 2010 event, the actual final performance mark cutoffs for acceptance into the meet were tougher than ever. With that in mind, please understand that while we'd like to accommodate everyone's requests, the sheer volume and quality of athletes to select from presented our selection committee with an unprecedented level of difficulty in having to turn away quality individuals in all event areas.

In our attempt to accept as many athletes as possible, this year's meet features an additional heat in most of the track events during the Open session on Saturday as we attempted to accommodate as many individuals as possible. We tried to accept additional entries in the field and track distance events as well.

Listed below are the acceptances for the 2010 meet, listed alphabetically by school name. Please keep in mind that while you might have submitted athletes whose best marks satisfied the performance minimums listed for each even during the registration process, attaining these minimums did not ensure entry; they merely qualified the athlete to be classified for consideration during the seeding process.

In addition to checking to see which athletes have qualified for the meet, please note the following very important details:

FINAL TIME SCHEDULE

The final schedule for the weekend is now posted at <http://www.ArcadiaInvitational.org> Click on the "Schedule" header icon near the top of the site mainpage to view the schedule, which was revised and finalized on March 31st. Please note the new times, especially for the throws in Saturday's Invitational session and the 3200s throughout the weekend.

ADDED/CANCELED HEATS

As previously stated, in order to accommodate as many athletes as possible we have added an additional heat during the day meet in the 100, 200, 400, 800, 1600, HH, IH and 4x400.

We regret to inform that we have had to cancel two events this year. For the girls 400-meter hurdles, there were not enough entry requests to warrant having one heat of the event. For the boys 5,000-meter run, there were four high-end entry requests into the event and then a clear and wide rift to the remaining requests. After careful consideration, it was felt the competitive balance within the event itself would likely be lacking to match the rest of the events at Arcadia. Since three of the four high-end entrants already double-booked themselves in the 3200m as well and the fourth indicated he'd gladly run the 3200, the decision was made.

3200-METER EVENTS

The unprecedented depth of talent in the distances nationally and the traditionally loaded eight-lap fields at Arcadia have prompted a few necessary schedule changes for 2010. First, with the cancellation of the boys 5,000-meter run and the alarming depth of quality in the boys 3200m entries, it has been decided to run TWO boys 3200m races (invitational heat and seeded heat) on Saturday night. Additionally, there will be TWO heats of the boys 3200 on Friday evening. Keep in mind that the Friday heats are typically very fast as well. Any qualifier in any of the four heats will have the chance to run very fast. On the girls side, the talent very is also quite deep (not quite as deep as the boys). There will be one girls heat on Saturday night and two girls heats on Friday night. As was disclosed months ago, there will be no 3200m heats during the day on Saturday. Two of the last four years, very warm day temperatures have clearly adversely affected performance times in that distance event. It was felt that athletes would be better served by giving them the chance to run in cool conditions on Friday night. While we understand that will force some coaches to choose on Friday between running an athlete in an individual distance race or a relay distance race, it was the preferred move given the circumstances.

ADVANCING FROM THE SATURDAY DAY MEET INTO THE NIGHT MEET

During Saturday's Open (day session), the top 12 performers from the combined heat results in certain track events (100, 200, HH, IH/LH and 4x100) will advance into the night meet on Saturday night. The fastest nine are assured of competing at night if they check in on time (Those nine will compete in the seeded heat. If someone in the invitational heat is a scratch, the fastest

Arcadia Invitational - 4/9/2010 to 4/10/2010

Arcadia High School

School Entries - All Events - Men

performer in the day meet will compete in the invitational heat and the 10th-fastest will fill in on the seeded heat, etc.)

Also, the event winner in each field event on Friday night will be invited to compete in the "Open" session of that same event on Saturday during the day. The event winner in each field event during the Open (day) meet on Saturday will be invited to compete in the "Invitational" session of the same event on Saturday evening.

ALTERNATES (ALT or CALT)

If on your entries below there is ALT or CALT next to an athlete or relay performance mark, that entry is currently an alternate. You are not charged an entry fee for the alternates. Schools will only be charged for alternates if those athletes actually end up competing in that event. In such case, the school will be billed later for that entry. If a lane opens up for your athlete/relay, WE WILL CONTACT YOU BY EMAIL OR PHONE to inform you of the open lane and ask if you wish to accept. This practice will take place through Tuesday of meet week. After that, alternates are to report to the check-in tent on meet day to see if there are open lanes. There are typically several scratches in the IH/LH and the 200 during the course of the week and some scratches in the other lane events.

There are no alternates in the distance races of the field events. These events have already been over-filled in anticipation of scratches.

SCRATCHES

If you have to scratch an athlete/relay for any reason, PLEASE send an email to ArcadiaInvite@aol.com so that the athlete's/relay's spot can be replaced by an alternate. Any athlete scratched by 1 p.m. PST on Tuesday, April 6th will not be charged on the team entry fee. Any scratch after this scratch deadline will appear on the team entry fee.

ENTRY FEES

Breakdown for entry fees for 2010 is as follows:

Saturday night invitational session: \$60 per relay and \$15 per individual.

Saturday day Open session: \$48 per relay and \$12 per individual.

Friday Night Relays and Friday field events: \$60 per "Invitational" heat relay, \$48 per non-invitational heat relay and \$12 per field event entry.

There is also a \$20 processing fee per team gender per school. If you declared your school's team genders online by midnight on March 21st, that fee has been waived.

The maximum entry fee is \$200 PER GENDER and \$400 per school for those schools whose total entries would otherwise exceed those ceiling amounts. This does not include the \$20 processing fee per gender for those coaches that did not declare online by midnight on March 21st.

If you are still unsure of your entry fee, you can call our Invitational hotline starting on Friday, April 2nd at 4 p.m. to attain your exact fee. Entry fees are due at packet pick-up on the day of the meet. School check, personal check or cash are the only accepted forms of payment. Athletes will not be allowed to enter into the facility unless fees have been paid.

HEAT SHEETS

Below is the list of accepted athletes only. Pair up an athlete's/relay's event code with the event number on the final schedule to determine when they compete. Actual heat sheets are not posted until late on Wednesday of next week.

COACHES FINAL INSTRUCTIONS

An email with detailed final instructions to coaches will be sent out on Monday evening, April 5th. Please keep an eye out for it as it will contain many important items.

Once again, thank you for your interest and continued support of the Arcadia Invitational track and field meet. We look forward to seeing you at Arcadia XLIII next weekend!

Sincerely,

Rich Gonzalez
Meet Director
